

TelView Plus Installation Readme

New customers installing version 5

New customers wanting to install the version 5 database schema should use the instructions in:

ftp://ftp.telview.com/misc/ver5/database/TVP_DB_SETUP.doc

After setting up the database per those instructions, customers should install the application as outlined in:

ftp://ftp.telview.com/misc/ver5/application/TVP_APP_SETUP.doc
